Talya wears the JOBO Robe: Ivory on Obsidian, and the JOBO Luxury Pillow Sleep Mask

**JOBO Spa** products enhance the hospitality experience for your guests, promoting relaxation during their stay and acting as a reminder of their trip, long after check-out.

**TRAVELS WELL:** Light, compact, and space-saving- Our robes and sleep masks are a no-brainer in-room or for your retail environment. Let your customers bring the experience home with them!

**FIT and SIZING:** Our robes come in flexible, unisex sizes. Feeling right at home is what hospitality is all about!

**EASY TO WASH & CARE FOR:** Robes are machine washable and require vastly less drying time than a big, bulky robe. Plus, they get softer with every wash.

**LOW ENVIRONMENTAL IMPACT:** We make sure our bathrobes use less fiber, last longer and use less energy, without compromising on quality.

**JOBO GIVES BACK:** 10% of all our profits go to organizations helping everyday people and ALL our products are 100% made in the U.S.A.
